Software engineer with the ability to learn and collaborate in rapidly changing environments and compositions.
Worked through 600+ hours of Bootcamp structure, learning JavaScript, Node.Js, APIs, and C#.
Eager to tackle web development/design challenges to achieve lasting impacts on user experience.

WORK EXPERIENCE

Gmind - Mobile Developer Intern
August 2022 - current   Hybrid - Alexandria
- Implemented the User Interface of the company application with the android team using XML.
- Worked with Version Control (Git) and learned a lot about Linux commands.
- Developed my communication skills and teamwork skills too.

ITI - Front-End Developer Intern
Feb 2022 - Mar 2022   Mansoura
- Got 60 hours of intensive training in Front-end development using HTML, CSS, and JavaScript (ES6).
- Built small projects such as stopwatch and form validation using pure JavaScript.

Projects

Personal website v1 - Creator   Live deployment
- Cloned Brittany Chiang's website using HTML, CSS, and pure JavaScript.
- Added the feature of the Dark/Light theme and stored the user theme in the Local Storage.
- fetched the GitHub API repository and Updated the UI using Async/Await.

Udacity landing page - Creator   Live deployment
- Improved the interactivity of a static web page by adding JavaScript.
- Manipulated the DOM to make the navigation bar dynamic and allow adding more sections to the page.

Weather jouranl App - Creator   Demo
- Built an asynchronous web app that uses Web API and user data to dynamically update the UI.
- Worked with Node.js and Express to create a server and deal with GET and POST requests to send and receive data between server and client as JSON.

Loopstudios landing page - Creator   Live deployment
- The project focuses mostly on HTML & CSS. There's a tiny bit of JS included for the mobile navigation toggle.
- Built using CSS flexbox, grid, and pseudo-classes to enable responsive design for mostly all screen sizes.

Skills
Proficient: CSS, HTML5, JavaScript, C#, Git, APIs   **Moderate**: Bootstrap, Node.js, SQL

Education
Front-End Web Developer Nanodegree, Udacity   Aug, 2022 - Sept, 2022
B.Eng., Mansoura University   Sept, 2019 - Jul, 2024
